

NORTH SOMERSET LOCAL SAFEGUARDING ADULT BOARD (LSAB) STRATEGIC PLAN 2018 - 2021

OUR VISION:

For everyone to work together effectively to enable the people of North Somerset to live free from abuse and neglect, and to embed the message that safeguarding is everybody's business.

We will embed the SIX PRINCIPLES as set out in the Care Act:

EMPOWERMENT	Promoting person-led decisions and informed consent.
PROTECTION	Support and protection for those in greatest need.
PREVENTION	It's better to act before harm occurs.
PROPORTIONALITY	Proportionate and least restrictive/intrusive.
PARTNERSHIP	Working together.
ACCOUNTABILITY	There is a multi-agency approach for people who need safeguarding support.

OUR STRATEGIC INTENTIONS:

Safeguarding is everybody's business.

The theme of partnership working underpins the Strategic plan for 2018 -2021

This plan reflects the LSAB vision and values. Our strategic intentions are:

1

Ensure commissioners and providers improve and develop the availability and quality of care and support.

2

Preventing abuse and neglect by ensuring that learning from reviews is embedded and best practice is researched and implemented.

3

Robust governance scrutinising effective multi-agency quality assurance and performance management processes.

4
